### Education Background

LL.B. from East China University of Political Science and Law

### Areas

corporate compliance, restructuring & mergers & acquisitions, intellectual property, litigation and arbitration.

### Key Achievements

Lawyer Li specializes in corporate compliance, restructuring and M&A, intellectual property, litigation and arbitration.

She has provided a full range of legal services covering risk management, compliance review, litigation disputes and asset transfer for a number of state-owned enterprises (SOEs), including Shanghai Chengtou Group, Shanghai Construction Engineering Group and State Grid, and has a deep understanding of the operation mechanism of SOEs and the complex procedures of state-owned asset disposal. At the same time, Lawyer Li has also performed well in the field of foreign legal services, and has solved many cross-border legal problems for foreign enterprises such as China Trust, Taishin International, Yonghe China, Sanrio, etc., including cross-border debt collection, intellectual property infringement dispute resolution, etc., and has been deeply involved in their investment and M&A projects, helping enterprises overcome legal obstacles and achieve business goals.

She has exceptional professional skills and innovative thinking, especially in the area of compliance. She has led the compliance projects of the internal control compliance system construction of central enterprises, the compliance of directors and supervisors, the compliance of corporate governance, the anti-monopoly compliance of water supply projects, the anti-monopoly compliance of power projects, the compliance of religious sites, and the construction of compliance systems in the field of religion, which have received unanimous praise from customers.
